**TOEFL ITP® Score Descriptors and CEFR Levels**

TOTAL minimum TOEFL ITP scores	CEFR Levels	TOEFL ITP Overall Performance Descriptors
627 pts.	Proficient User—Effective Operational Proficiency	C1 Can understand essential ideas and some difficult and abstract vocabulary in short academic lectures/conversations that require integration and synthesis. Can understand ideas and detailed information in academic written texts, even texts on abstract topics containing low-frequency vocabulary. Can monitor grammatical interactions among elements in complex written sentences. Can recognize less common grammatical forms, such as subjunctive mood and reduced clauses, as well as necessary word choices not specified by general grammatical rules.
543 pts.	Independent User—Vantage	B2 Can connect information across utterances from different speakers in short dialogues and can identify main ideas and details when reinforced in lectures and longer conversations. In written texts containing high-frequency academic vocabulary, can connect details and ideas to understand information that is explicitly stated or implied. Can recognize appropriate ways to vary written sentences using appositives, participles and subordinate clauses, and can demonstrate awareness of acceptable variations on basic grammatical rules.
460 pts.	Independent User—Threshold	B1 Can understand clearly reinforced implications and common language functions in short dialogues containing high-frequency vocabulary and common idiomatic expressions. Can understand simple process descriptions and narration in written texts containing high-frequency vocabulary. Can recognize appropriate uses of verbs in common tenses — including passive forms — as well as common linking verbs and expletives such as “there is.” Can recognize the correct structure of a sentence or clause and the appropriate use of infinitives, gerunds and “that” clauses.

The cut scores represent the minimum scores needed to enter the CEFR levels. These recommendations are based on the results of mapping studies with expert panels, and data analyses of test-taker scores.

Score descriptors by section are also made available to provide a better understanding of students’ English-language proficiency. Visit [www.ets.org/toeflitp/scoredescriptors](http://www.ets.org/toeflitp/scoredescriptors).

**This certificate is printed on security paper. Some of the security features are:**

- ETS logo disappears when heat is applied, and returns when heat is removed.
- The faint TOEFL® watermark pattern becomes visible from a 45-degree angle, and becomes medium grey if one uses a coin to rub the TOEFL watermark.
- Chemical reactive paper changes color when exposed to solvents or oxidants.
- A unique “check sum” number that can be used to verify the authenticity of information on the certificate.
- Micro print is embedded on the front side of the certificate that must be magnified to be readable; a feature desktop printers cannot reproduce.
